Beetles and butterflies, birds and bunnies, may take center stage and steal the show.	
<input type="checkbox"/> Incredible Edibles - What's in your garden? From seedlings to harvest, apples to zucchini, show us your best fruit, vegetable or herb fresh from the garden! Ripe and ready to eat or green hanging on a tree all edibles are welcome in this category.	
<input type="checkbox"/> Master Gardeners in Action – Every day volunteers make a difference in communities across New Mexico. Tell the volunteer story through photos featuring NM Master Gardeners working in their communities and supporting their programs.	
<input type="checkbox"/> Outstanding Ornamental - Celebrate the true beauty of the plant from seed to flower, foliage to stem. Plant portraiture is all about capturing the very essence, or character, of a plant. Get creative with extreme close-up or stay classic, all styles are welcome.
